Re: Appl No. 10/677,098

Inventor: Wesley Cheng Filing Date: 09/30/2003

Art Unit 2151

Dear Sir:

I am writing to clarify a matter that I have already explained to the USPTO by phone, apparently to no avail. I have never represented KonaWare before the USPTO, and have never provided anyone with authorization to name me as attorney of record with respect to any Konaware matter. I have performed substantive legal work for Konaware in connection with patent-related matters, but have never filed any communications with the USPTO relating to such matters, nor given authorization for being listed as an attorney of record.

My name was apparently given to you, without authorization, by Mr. Lee Van Pelt, who filed the relevant applications and who is being copied on this letter. When I learned that my name had been given to the USPTO, I immediately called the USPTO and was assured that my name would be removed. Apparently, that has not occurred.

I am returning copies of all correspondence to the USPTO, to Mr. Lee Van Pelt and to Konaware, and writing to request that you send me a written confirmation that my name, and my firm's name, have been removed from this matter, and that there remains no trace of us ever having been attorney of record, as I have never given any such authorization.

Please provide this written confirmation at your earliest convenience. If you need to contact me in the interim, I can be reached via my mobile phone at 650-465-1065.

Thank you.

Sincerely,

Daniel R. Siegel

LICENSE FOR FOREIGN FILING UNDER Title 35, United States Code, Section 184 Title 37, Code of Federal Regulations, 5.11 & 5.15

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
